

# Classics Elite Chilly Pads

**All Sport - All Terrain - All Weather  
Use It To Dry Off or To Cool Down  
Only \$15.00!**

The Frogg Toggs Chilly Pad keeps you cool during a workout, when playing soccer or any other strenuous activity. The Chilly Pad provides an innovative way to cool down while enduring outdoor heat and/or high levels of physical activity. Perfect for anyone engaged in soccer, the Chilly Pad is made from a new hyper-evaporative material that retains water while remaining dry to the touch. When wet, the towel becomes considerably cooler than the outside air, thereby providing cooling relief to the user. When it stops cooling (between 1-4 hours depending on conditions), you simply re-wet the towel in hot or cold water and wring it out. Within minutes it is cool again. It is also machine washable. **Great holiday gift!!**
