

Dear General Manager:

Classics Elite Soccer Academy is a non-profit organization dedicated to Coaching and Training of children ages 4 to 18 in San Antonio and Bexar County. Our '94 Classics Elite Girls soccer team will be traveling to England in July 2011 to play 3 English teams and to attend 2 Premier Soccer League games. The team will be doing several fundraisers, but the trip will primarily be funded by donations from businesses like yours. This trip will cost in excess of \$46,000 for the 18 girls to travel and your generous donation will be greatly appreciated and because we are a non-profit 501-c organization it will be completely tax deductible as well. Below are the levels of sponsorships and what you will receive for your kind donation.
