

**REQUEST FOR PROPOSAL
IRRIGATION FOR SIX NEW SOCCER FIELDS
CLASSICS ELITE SOCCER ACADEMY
Bids due March 27 2006**

1.0 SCOPE OF WORK

The Classics Elite Soccer Academy (CESA) desires the services of a Contractor with the knowledge, skills, and ability to design and install a complete and operational irrigation system on nine acres by April 30, 2006. An irrigation system is needed for the purpose of establishing and maintaining new turf grass for soccer play. The area to be irrigated is located within an 11 acre tract on Old Bitters Road, beginning approximately 1,000 feet east of Jones Maltsberger Road. The Contractor shall design an underground water distribution system capable of irrigating nine acres; and with water pressure and capacity sufficient to water at least one-fourth of the area at a time. Proposals should include a drawing indicating the proposed water distribution system and irrigation plan for the entire property, beginning from the San Antonio Water System main water line connection that ends at the northwest corner of the property. Submittals must also indicate the specifications for all pipes, valves, and sprinkler heads proposed for the entire irrigation system. Grading of the turf areas is currently ongoing, and will be completed by March 24, 2006. A property map is available from CESA electronically or as hard copy.

2.0 BIDDING PROCEDURES.

Proposals should be delivered to the Classics Elite Soccer Academy office or to a CESA Executive Board member by close of business on March 27, 2006. Proposals shall indicate the complete cost for installing water distribution lines and turf irrigation system. Proposals shall indicate the intended start and completion dates, and the terms and conditions for payment. As a 501 (c) (3) non-profit organization, CESA can accept donations of materials or work in kind. Any intended donations or discounts should be clearly indicated. Submit proposals by March 27, 2006 to:
